

Applications must include the following:

- Application form
- Official transcripts from highest educational institution attended and degree conferred, including current program as applicable.
- Curriculum vita, including work experience related to health care, bioethics, public policy, the medical humanities, and/or law.
- Test of English as a Foreign Language (TOEFL) for applicants who are not US citizens and/or are from countries in which English is not the primary language.
- Personal Statement (1 page or less) describing how your personal and professional interests make you a desirable candidate for the Masters or Certificate program; and how your learning here may meet specific future personal, academic, and career goals.
- List two references from academic or professional supervisors. (Certificate)
- Submit two letters of recommendation from academic or professional supervisors. (Masters)
